Specific Achievements Some levels require earning specific achievements see below for details				RWP	IDE	RWP	GIT	LNL

Specific Achievements Explanations

RWP: Write a program to solve the Real World Problem of your choosing. The scope of the program must be approved by the instructor.

IDE: Learn to use a different Integrated Development Environment.

GIT: Learn to use Version Control Software. You don't have to use Git. That was just a convenient abbreviation.

LNL: Learn a new programming language well enough to implement one of your assigned programs with all bonus features.
